

# iWonde™ Internship Opportunity

## Job Description

### About iWonde™

iWonde™ is an early-stage, patent Mississippi-based startup developing a new technology platform that enhances the interaction between consumers, businesses, and real-world signage within the Out-of-Home (OOH) advertising space. Full platform details are shared after NDA execution.

### Position: Intern / Executive Assistant

This role supports business tasks, research, marketing assistance, project coordination, and general operational support during the early phases of product development.

### What You'll Do:

- Conduct general market and industry research
- Assist with outreach to local businesses for pilot interest
- Support marketing materials and simple content creation
- Help organize documents, meetings, and project tasks
- Assist with high-level business development activities
- Prepare summaries and notes for internal use

### What You Will Learn:

- How an early-stage startup operates
- Market and competitive research
- Basics of project coordination and business planning
- Exposure to entrepreneurship and tech innovation

### Ideal Majors:

- Business
- Marketing
- MIS / IT
- Computer Science
- Entrepreneurship

### Apply:

Email a resume and short statement (3-5 sentences) to [greg@iWonde.com](mailto:greg@iWonde.com).
